

Glazing Displays Order Form

All items contained on this form are provided FREE of charge from Tru Vue.

Wall Glazing Displays

Show your customers the visual difference between Museum Glass®, Conservation Clear® and Conservation Reflection Control® with this split glass display.

Choose One:

190-1001 Red Water Lily

190-1003 Paint Tray and Brush

Counter Glazing Displays

Show your customers the visual difference with this split Conservation Clear and Museum Glass display.

Choose One:

190-1002 Red Water Lily

190-1004 Paint Tray and Brush

It's as easy as **1** **2** **3** to demonstrate Museum Glass®

When a customer is ready to choose the glass:

1

Show them the Tru Vue glass display.

2

Tell them about the features – the 99% UV protection and the amazing clarity.

3

Let them choose the glass.

To learn more about helping your customer make the right choice using the 1-2-3 demonstration technique, watch our online video at www.tru-vue.com/123/video
